Upload Transcripts (including undergraduate degrees and graduate studies) DOCTORAL APPLICANTS ONLYIf you are able to obtain the official transcript from your University, please upload it in this section of the application form. Your University or Institution may ask you to provide an email address where the official copy of your transcript can be sent. Please provide the University/Institution with research@alzheimer.ca for electronically-sent official transcripts.

1) Up-to-date, official & certified transcript(s) from the University or Institution must be uploaded here.2) Electronic copies of foreign transcripts will be accepted and must be accompanied by a certified English or French interpretation and a clear explanation of the grading system. Please upload here.

Tengagement of People with Lived Experience

The Alzheimer Society of Canada strongly encourages the involvement of people with lived experience (people living with dementia and/or their caregivers) in research. Please explain how you plan to involve people with lived experience in your research, at what
